

Welcome to the Mini Club of the SCHOOL SPEIKBODEN

Open daily (except for Saturdays) from **9.00 a.m. to 4.30 p.m.**

Here you will find some useful information for you and for your little ones:

*** FULL-DAY CARE for children from 3 to 6 years including lunch**

You can leave your children with us and pick them up again at any time during our opening hours. This is not possible, however, at lunchtime from **12.00 a.m. to 1.15 p.m.** Please also bring some clothes for changing (also diapers and wet wipes if necessary) and, if needed, also a pacifier/comforter and or a cuddly toy or a snuggle blanket.

*** Children from the age of 4 can, if desired, take part in a 2 hours ski course with a small closing ceremony and medal distribution on Friday.**

The children are brought closer to skiing in a playful manner.

The **ski lessons** for **beginners (4+5 years)** normally take place from **10.00 a.m. to 11.50 a.m.** in the valley at the practice slope in the FAMILY PARK with magic carpet.

It might be however that the lessons are done in the afternoon in the first few days for practical reasons. Towards the end of the week (Thursday and Friday), if the skills of the little skiers permit it, they will ski also in the ski resort on top.

The **older children (5+6 years), beginners and advanced**, usually ski from **1.00 p.m. to 2.50 p.m.** For practical reasons it might be that the lessons are done in the morning in the first few days. When the skills permit it, the ski lessons are done in the ski resort on the mountain (2,000m).

Therefore, please put the **ski pass** in the left pocket of your child's jacket in order to guarantee a smooth flow when going up with the cable car.

(Children up to 8 years get the ski pass **for free** at the ticket office).

Children under the age of 4 can learn their first steps in the snow through a **private lesson**.

*** Marking of the personal belongings – SKI EQUIPMENT**

We kindly ask you to label your child's **skis, ski boots** and the **helmet** in order to avoid confusion (ski poles are not needed for beginners). You will get some stickers for labelling directly at the MINI CLUB. Every child gets a separate space in the MINI CLUB where the personal belongings can be left overnight.

For further **information** please get in touch with our staff at the MINI CLUB.
